Next Steps:
1. Completing the FACE Innovation Configuration

- **District Team:**
  - Identify the schools that you will ask to complete the IC. Have the Leadership team from those schools complete the Innovation Configuration by circling the response that best fit their school’s current level of implementation with each practice within the 6 components. Collect all and email to dminch@usf.edu and Sheri.luecking@midwestpbis.org by November 21, 2016.

- **School team:**
  - As a PBIS Leadership Team, complete the Innovation Configuration by circling the response that best fits your school’s current level of implementation with each practice within the 6 components. Email to dminch@usf.edu and Sheri.luecking@midwestpbis.org by November 21, 2016.

Next Steps:
2. Develop Action Plans to Implement Components 1 and 2

Leadership: As a PBIS Leadership Team, develop action plan items around low scoring items for Component 1: Leadership Support

Data-based Goals and Outcomes:
As a leadership team, develop and complete action plan items related to the following:

- **Goal Development:** How will educators and families collaboratively develop goals for family engagement?
- **Plans for differentiating engagement/input for non-readers, non-English speakers, etc.** *(phone calls? Home visits? Who? When?)*

How will you measure progress towards goals? How will you know you’ve achieved your goals?

**Action Plan Template**
Email Action Plans to dminch@usf.edu and Sheri.luecking@midwestpbis.org by November 21, 2016
