Discipline That Works....

The May [Teach by Design](#) article ([Suspension Doesn't Work: There's Gotta be a Better Way](#)) allows you to:

- Compare your suspension rate to other schools nationally
- Revisit universal PBIS practices
- Explore effective practices to consider

For more tips on reducing use of suspension, [listen](#) to this 4 minute interview by Rhonda Nese.

Looking to get your staff on board with moving away from traditional discipline. Incorporate the [Rethinking Discipline](#) article into your next staff meeting.
