SWIS

School-wide Information System

Ensure your data system is ready!

It is October and that means it is time to **enter your enrollment and school days** information. These data are needed to create reports such as Average Referrals per Day per Month, Ethnicity, and Triangle Reports.

New Features Coming to SWIS Suite!

Referral entry-only users: Allow all staff to enter their own referrals electronically. No more paper!

Save draft referrals: Come back to finish a referral later.

Referral review: Allow another user to review referral before entering.

Assign reviewers: Assign a review for administrative action.

Email notification: Receive notice when referral needs your attention.
